# The Key 1952

*Published by Senior Class*

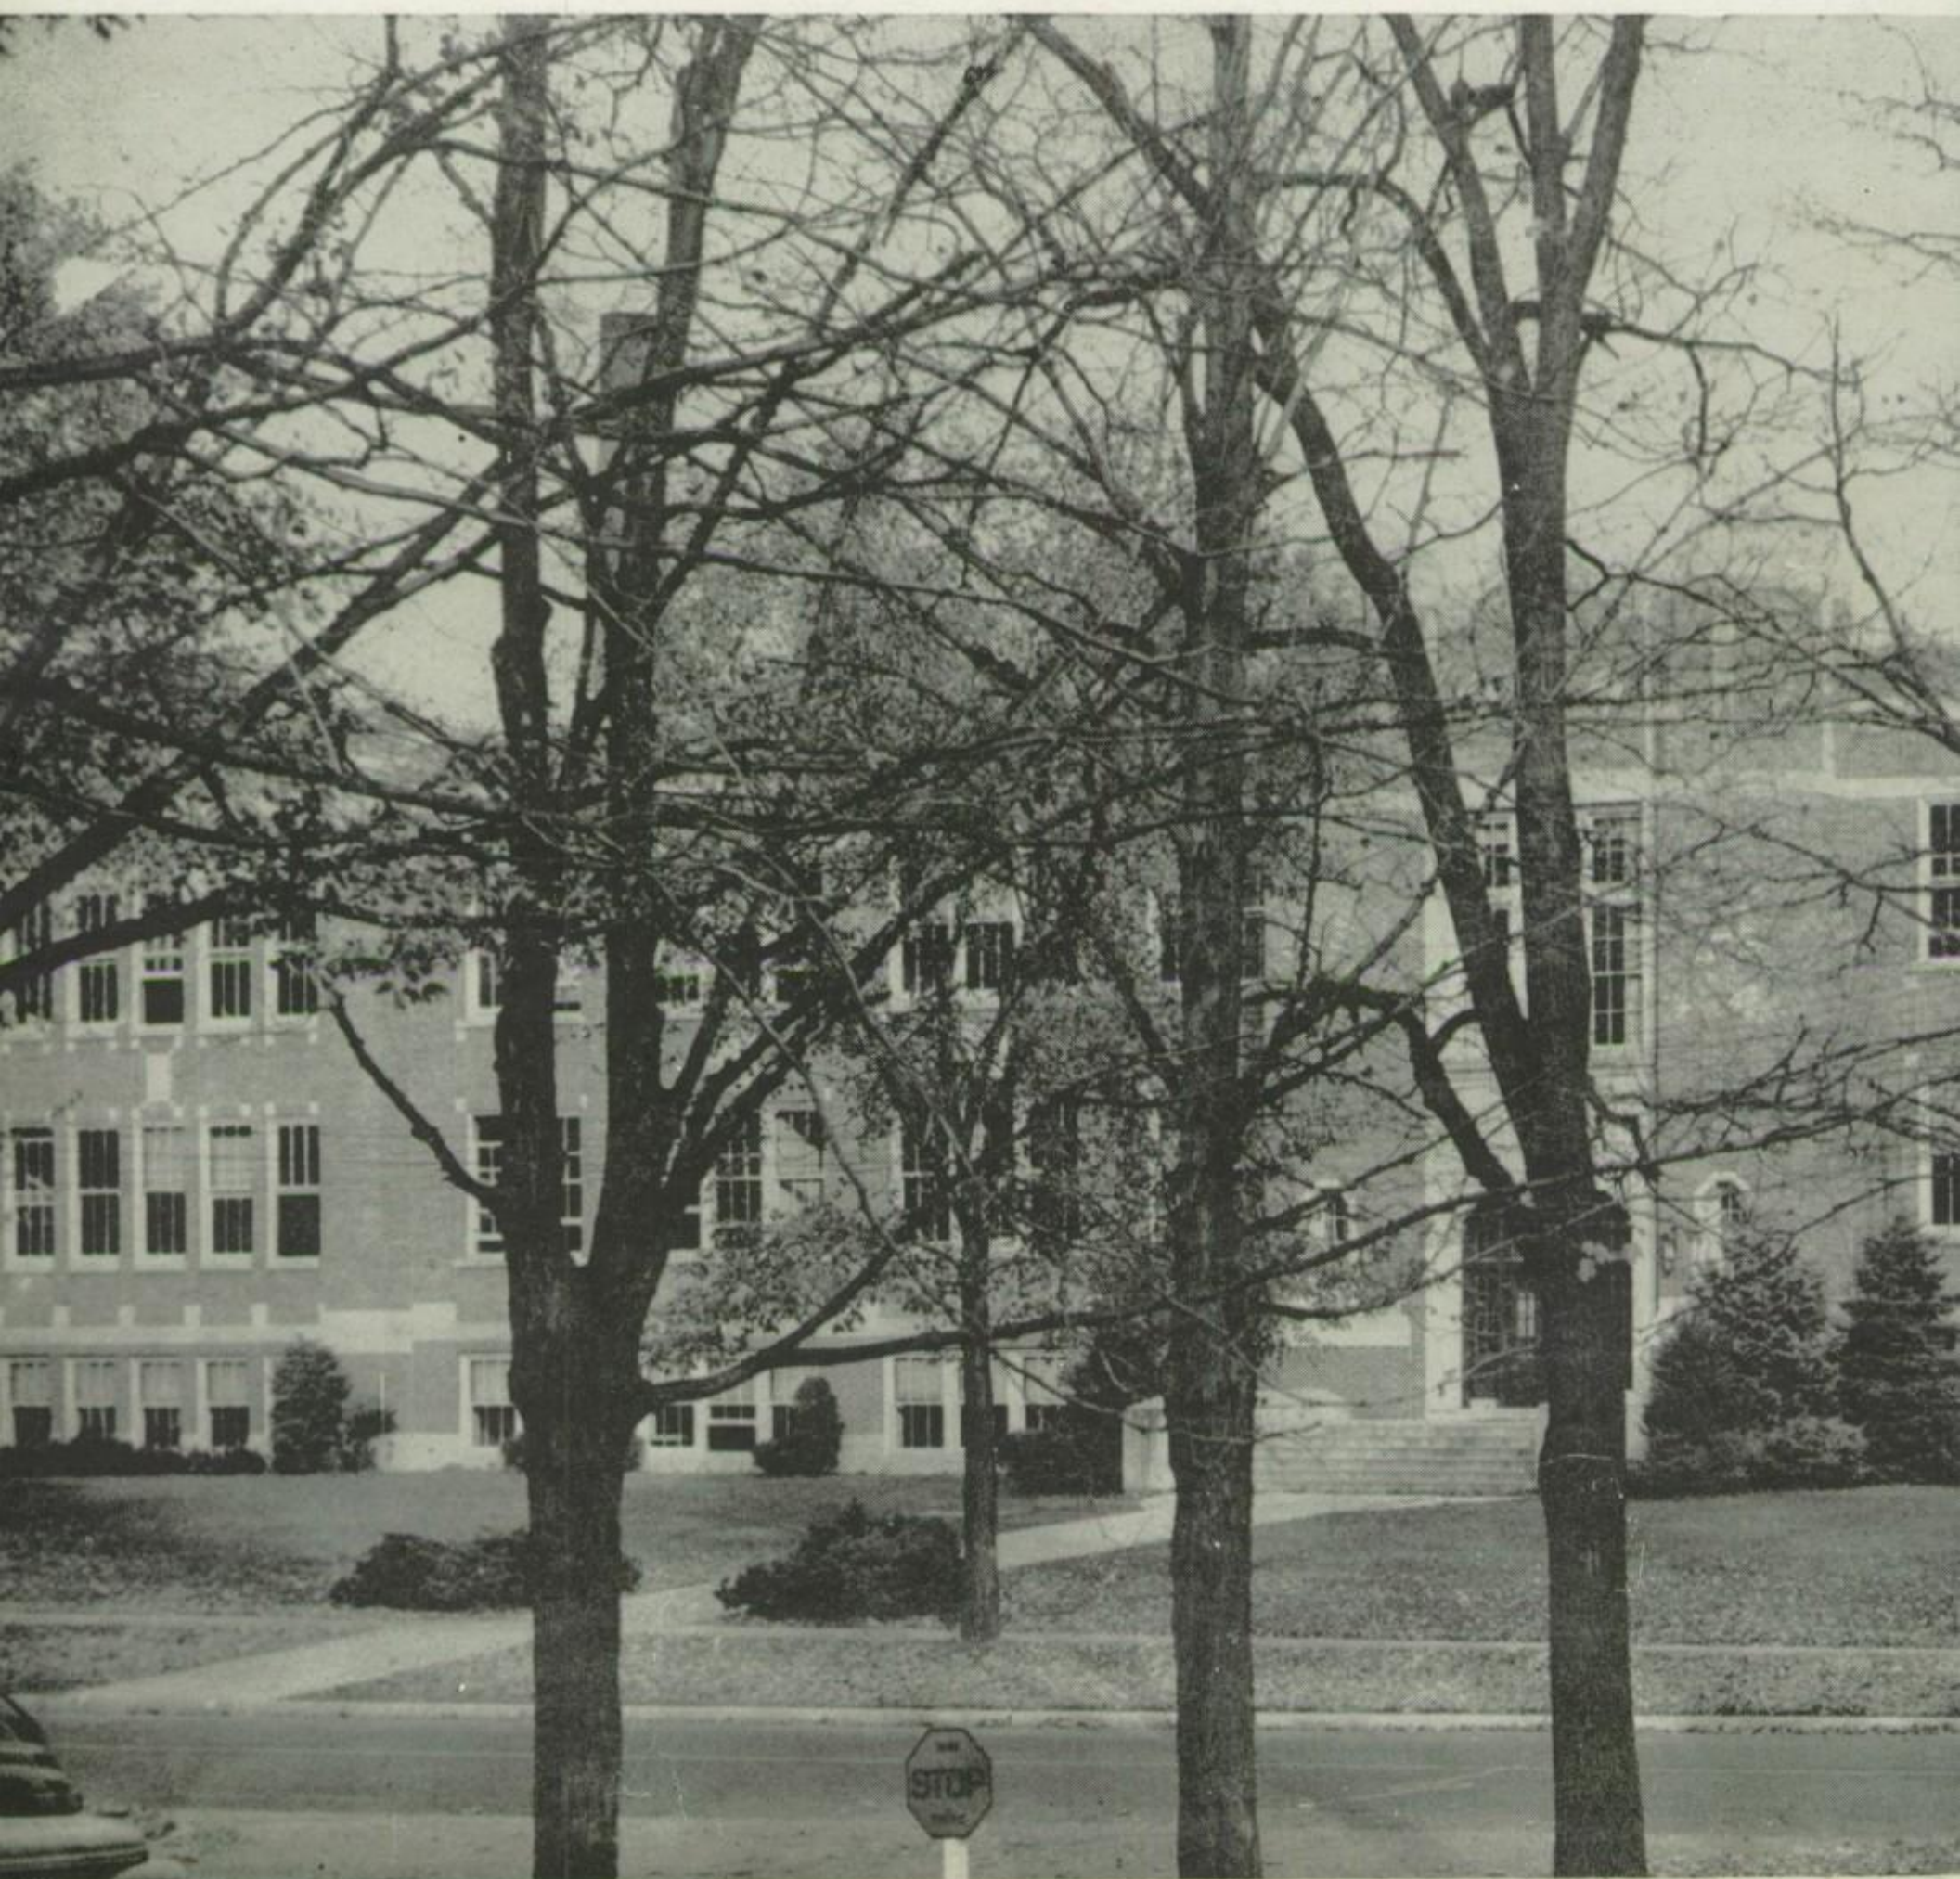

*Angola High School, Angola, Indiana . . .*

# *Hands Across the Years . . .*

*Helping hands have reached out to guide us during our entire school career. When we were very small, we walked through the portals of this great building for the first time. To us it seemed very big and unfriendly then. We were unimportant and there were so many big people all about us.*

*But we took its many activities in our stride. We learned to like A. H. S. and its "big" people became our friends. They directed us.*

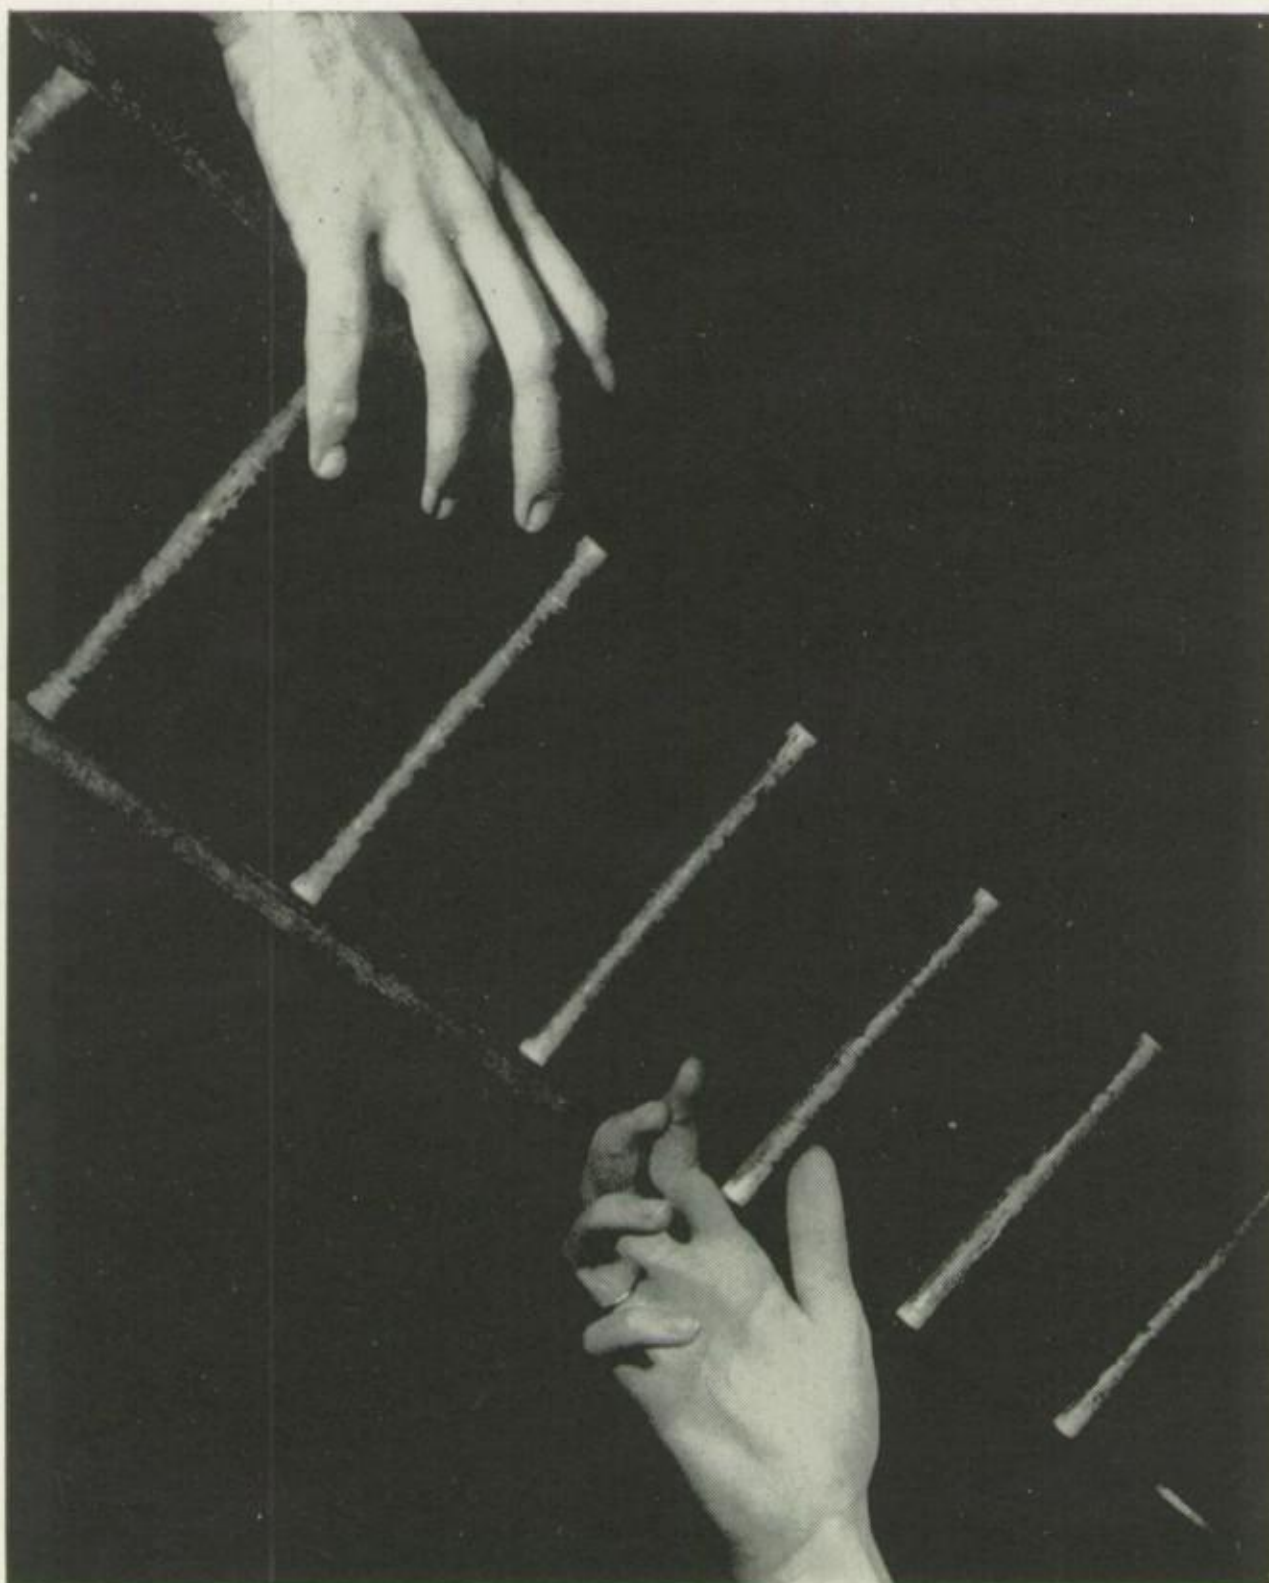

*The time passed very quickly. Before we realized it we were in Junior High—then High School—and now we are seniors. More than ever we realize the importance of those helping hands. We are leaving now, but we take one more glance at Angola High School. It's far from unfriendly now. In its halls and class rooms are buried the secrets and memories of all our wonderful years.*

*Guard them well, dear A. H. S. You've been wonderful and we'll never forget you.*

# *Dedication*

*We, the Senior Class of 1952, wish to dedicate our Key to all the people who have helped us throughout our school years—the faculty, whose patience we have sorely tried at times—the businessmen of Angola, who have never failed to support our projects—and our parents, who have given us so much.*

*We realize that without these people, our success in school would have been impossible; and we wish to say, "Thank you, everyone, for a wonderful four years."*

# *Appreciation*

*We, the class of '52, wish to express our appreciation to our sponsor, Miss Reed, for her guidance and aid throughout our last three years of high school. She realized our hopes and aspirations and was ever ready and willing to help us in their fulfilment. Always interested in "her class" she often sacrificed her time for our pleasures. As we bid farewell to A. H. S., we extend best wishes to "our Miss Reed."*

## *Final Class Meeting*

*At last the time has come for the seniors to say good-bye to A. H. S. Always dear to our hearts will be our high school memories.*

*Our yearbook paves our way to the future and is our "key" to the past. It is through these pages that we shall always remember dances, basketball games, tests, teachers, report cards, classes, and our numerous friends.*

*It is with one last look into the halls of A. H. S. that we step from her doors into the sunny path of the future.*

*With heavy hearts we say, "Good-bye, A. H. S., and thanks—thanks for everything."*

## *Our Adviser*

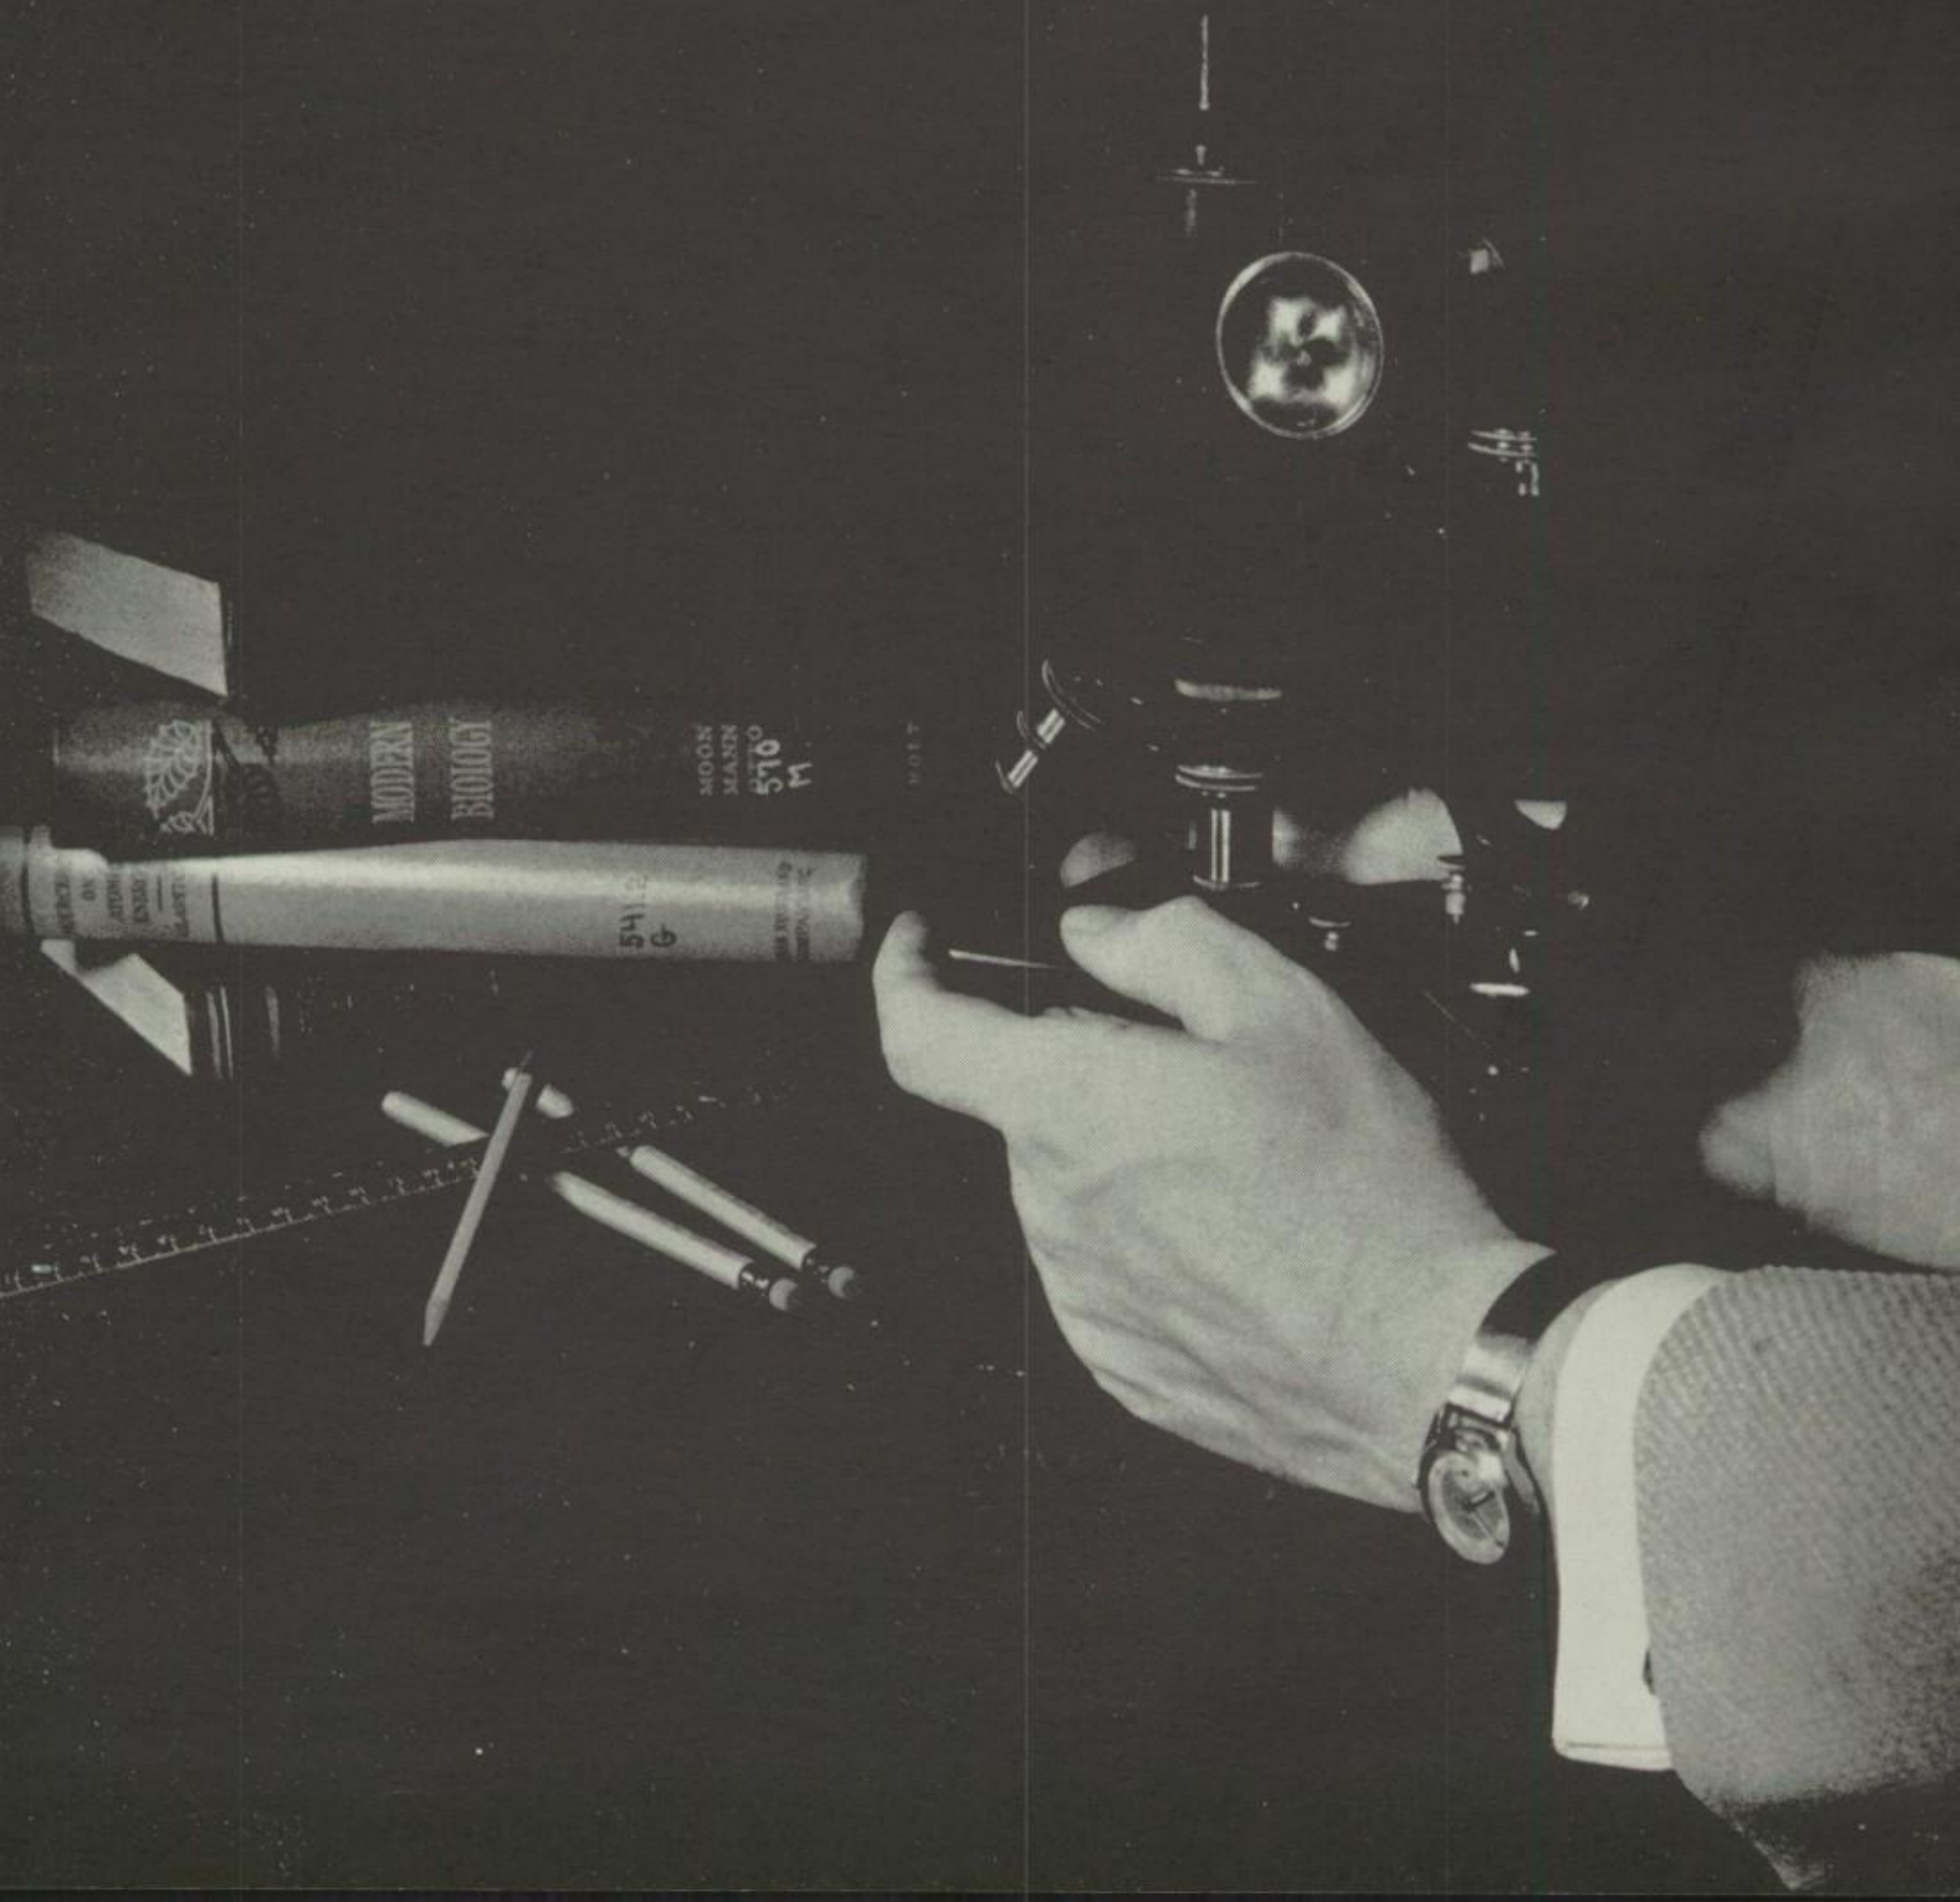

A great amount of work goes into publishing an annual. There are a thousand little jobs that need supervision and revision.

Someone was needed to keep these many jobs moving. This is exactly what Miss Shultz did.

Without her help it would have been impossible to produce this yearbook. With the greatest sincerity we want to thank her for guiding this major project for us.

# Faculty

## *Our Superintendent*

We wish to pause a moment and thank someone who has always been ready to help us. During our four years of high school he has provided guidance to anyone who needed it. It is with sincerity that we say "Thank you, Superintendent Boomershine."

## *Our Principal*

Mr. McCutchan, our principal, has held this position for only one year. In this year we have profited by his kindness, respect, and fairness to the students of Angola High School. We appreciate the help he has given us and we are confident that he will continue to be of great help to Angola High School.

## *Secretaries*

"Has a brown billfold been turned in at the office?" One or the other of our able office secretaries is never too busy to look. Edith Kunkel has been with us for two years. Joyce Stormzand is new this year and hails from Council Bluffs, Iowa. The seniors wish to express their appreciation for the things the secretaries have done for them.

## *Board of Education*

It is through the efforts of the Board of Education that our school is successful. They have spent considerable time in working out the problems of our school and have done this very efficiently.

The members on the Board of Education are Carlton Chase, president; Harold Stevens, secretary; and Heyman Wisner, treasurer.

# *Yet To Come . . .*

TIME: MAY 23, 1962

PLACE: "LOUI'S"

"Loui's," the ultra-modern high school hang-out, has been thrown open to the class of '52, who are holding a party in honor of their sponsor, Miss Reed. Jo DeRosa, most famous English teacher of her time, is acting as hostess for the evening. Assisting Jo is Janet Jarboe, who is holding a secretarial position in Washington, D. C.

Acting as head waiter is Bill London, who is still arguing against UMT. Betty Servis, who is supervisor at the Lutheran Hospital and Janie Mann, secretary to Les Peeler, famous prosecuting attorney, are the "soda jerks" for the night—the specialty being hot fudge nut sundaes.

Among the many present is Fern Van Marter. Fern has just opened an exclusive dress shop in California with Carolyn Raney and Nancy Clark as her main attractions for modeling clothes designed by none other than Joyce Allen, who has recently changed her last name to Fradenberg.

Sitting at a front booth are Mike Crowl and Nancy Alspach discussing the economic situation. Nancy has just won fame and fortune selling her personally designed "Alsmobile," the largest car in the world. Mike is competing with Nancy with his unique car, the "Crawler," which is the smallest car ever designed.

Just coming in the door are Nancy Snow and Billie Meade, who have left their church affairs for the evening to join us. Nancy is president of all Pilgrim Fellowship organizations in this area. Billie is assisting her.

Take a look at the booth behind the juke box! Sitting there sipping cokes are Jack Sellinger, top player for the Pistons, and Tom Reek, who was just voted most valuable manager of the year. Another athlete in the group is the star player of the Red Heads, Gloria Reed. Just joining them is Dave Neukam, stellar pitcher for the New York Giants.

Notice the advertising on Loui's walls. It was done by Joan Baldwin, famous commercial artist. She was assisted in this work by JoAnne Carr, who has also won fame in the field of art.

At the pin ball machine is Bill Steffan, famous senator from Indiana, who has just exposed a gambling racket. Looking on at the game is Diana Beatty, who is now a grade teacher in the Angola school.

Two other guests for the evening are Phyllis Bishop and Janet Gecowets. Phyllis is still stacking baby food at the Kroger Store and Janet is the new manager of the A & P Store.

A few of the fellows of our class are making careers in the Armed Services. Chuck Kelly is in charge of the meat packing detail for the U. S. Marines. Richard Rose and Don Griffin are members of the U. S. Army. They are sergeants.

Here comes our president, Jim Bledsoe. Jim has become sole owner of Bledsoe's Ballroom, the largest dance pavillion in the Middle West. Joanne Zimmer has just made her debut at Bledsoe's along with Phil Krein and his orchestra, singing the "Krein Blues" composed by Phil himself. Mary Davis is also a member of Phil's orchestra, playing the piano.

Just arriving is Denny Deller, famous plumber who has just invented his new "Deller System," which consists of fewer pipes and requires less work.

Sitting at the counter is Mary Lou Fanning, who has written the latest edition and most frequently used psychology book. This book can be purchased at Norma Kugler's modern newsstand. Also sitting at the counter are Bruce Martin, who has just started practicing dentistry in Angola, and Roberta Berkes, his private secretary and nurse.

Discussing the horse situation of the country are Greta Sewell and Ann Travis. They have recently pooled their resources and formed the T. S. (Travis and Sewell) Palomino Horse Ranch in Arizona.

Arriving a little late are Lee Sell and Susie Unger, who are now publishing the "Seventeen" magazine.

Albert Guilford and Arthur Myers are making plans for a completely new and modern green house in Angola. They are specializing in Albert's latest hybrid rose.

Phil Healy has closed his snack bar tonight in order to be present. Competing with Phil is Blaine Nichols, manager of Walgreen's soda bar, with Donna Coffman as assistant manager.

Those members who are unable to be with us tonight are Dick Bruhn, Joan Beck, Richard Hefty, Arthur Hockey, Anita Lowther, and Joann Mote because of a tour they are conducting around the world in a space ship designed by Arthur. The pilot of this venture is "Bruno" and co-pilot Richard Hefty. Jeanette Sheets and Alice Fair had planned to go on this trip, but due to business affairs in their newly constructed hotel were unable to make it.

After the party, the group plans to go to the world premier, "Bringing Up Parents," a story written by Kaye Williamson and directed by the famous team, Davis and Pearson, the top directors for M. G. M. In the starring role is Valrie "Cornelia" Erickson. At intermission Pat Osborne, world famous skating star, will appear in person.

Our activities in this prophecy may be far from our true future positions; but as our class motto goes—"If it can be done, we can do it."

# *From Freshmen to Seniors*

In the fall of 1948 the present senior class started their journey through high school. We were noted for a great many things. We were the largest class in high school; we had an excess amount of pep and enthusiasm; we had an excellent basketball team. We chose as a class motto "If It Can Be Done, We Can Do It." Our team played in the final game of the class tourney but lost. Miss June Krutza was the class sponsor.

During our sophomore year we sponsored the first sock dance in the gym after the varsity basketball game. It proved a great success. Again we went to the finals in the class tourney but lost to the seniors. We properly initiated the incoming freshmen, the class of '53. Miss Reed became our class sponsor.

Our junior class play, "Men Are Like Street Cars," was a big success. The class was awarded a plaque for excelling all previous records in magazine subscription sales. This year we won the class tourney. The theme of our junior-senior banquet was "Moonlight and Roses."

Our senior class play, "Our Hearts Were Young and Gay," had the biggest turnout in years. The second night the house was filled and chairs were placed in the aisles. This year we played in the finals of the class tourney but lost to the juniors. The class trip, class day, baccalaureate and commencement were the all-important activities.

We can look back on our years in A. H. S. and say we worked, we played, we accomplished many things and we certainly gained valuable training for the years ahead.

# *A Senior's Farewell*

Within the halls of A. H. S.  
Ring memories fond and true,  
A sophomore's smile, a freshman's giggle,  
A senior's fond adieu.

The knowing glances in study hall,  
The cherished smile of a friend  
Whose memory will remain in our hearts  
Wherever our paths may wend!

The dances after ball games  
With friends that never grow old!  
Many more untold memories  
Which deep in our hearts we hold!

The thrill of a basketball game!  
The wish of a wispy gown!  
Class picnics, early breakfasts,  
And twinkling lights on the mound!

Practice for the spring concert!  
The excitement over the play!  
Rehearsal, rehearsal, and final performance  
Of "Our Hearts Were Young and Gay!"

The huge Christmas tree in the hall,  
The fragrance of a new spring drawing near,  
The many parties on Friday nights,  
And once in a while, a tear!

These are a few of the treasures we take  
As we leave for realms unknown.  
We'll never forget you, A. H. S.  
Even after life's flowers are blown!

# *Hornet Staff*

In 1918 a splendid recorder of history came into existence. This recorder took the shape of a small magazine and was called the "Key." It was published for eleven years in this form. It contained general high school news, gossip, editorials, and feature stories.

The "Key" next became a newspaper containing four pages of four columns each. The next year it was expanded to five columns.

In 1934 the "Key" was renamed "Spectator" by a group of aspiring journalists, who were steeped in English literature. It underwent another change; this time it took the shape of a booklet of about twenty-five pages and was printed by a mimeograph process in the school office.

The next year's class decided that a different name was needed. A contest was held and it was won by Mr. Druckamiller, then athletic coach of A. H. S. The name selected was the "Hornet." The paper has retained that name to this day.

The present day "Hornet" contains about forty pages of news stories, editorials, feature stories, gossip, exchange items and other interesting materials. It is published monthly by the journalism class. It is printed by the mimeograph process and the covers are either mimeographed or printed by the Steuben Printing Company. Much student art work appears in each issue.

In 1949 the "Hornet" staff was admitted to membership in the Quill and Scroll, the International Honorary Society for High School Journalists. The members of the staff also belong to the National Scholastic Press Association.

The members of the 1951-52 staff were: Editor-in-chief, Phil Krein; associate editor, Phyllis Bishop; athletics, Mike Crawl; exchanges, Robert Berkes; art editors, Joan Baldwin, Joanne Zimmer; feature writers, Donna Davis, Joyce Allen, Josephine DeRosa, Valrie Erickson, Janet Gecowets, Fern Van Marter, Chuck Kelly; news writers, Tom Pearson, Albert Guilford, Betty Servis, Greta Sewell, Patty Osborne, Les Peeler; business manager, Jim Bledsoe. Miss Shultz is the faculty adviser.

## *Hi-Y*

The Angola Hi-Y Club, organized in 1922 by former superintendent, John L. Estrich, was the first in the state of Indiana. The club has been a member of both the state and the national organizations for two years.

The purpose of the club is "To create, maintain and extend throughout the school and community a higher standard of Christian character." Toward this end the club participated in the following programs during the year: Sending representatives to district Hi-Y Conventions, sponsoring school dances and skating parties and holding a joint father-mother, son-daughter banquet with the Y-Teens. The club sponsored a movie, "One God," as an auditorium program during the Lenten season.

The club met every other Monday evening at 7 o'clock. The meeting was called to order by the president and the Lord's Prayer was given in unison. The programs were films, outside speakers and discussions of general interest to the members.

The officers were: Vice-president and acting president, Jim Rodebaugh; secretary-treasurer, Bruce Martin; chaplain, Arthur Hockey; and sergeant-at-arms, Tom Ott.

The sponsor was Mr. Kuebler.

## *Y-Teens*

The Y-Teen Club, formerly called the Girl Reserves, was organized in 1927 under the direction of Miss Kathryn Dewees. The Angola chapter is a member of the state and national organizations and is a branch of the Y. W. C. A. The aspirations of the club are well summed up in the statement, "To find and give the best is our purpose true, earnest, honest; and our slogan—to face life squarely too."

The activities of the club have been many this year. Two sock dances were held during the year. During the month of October, several of the girls attended the district conference at Salem Center, and all of them participated in a world fellowship movement, in which they sent candy bars to Scotland for the Christmas season. On November 10 four advisers, the Misses Reed, Frank, and Shultz, and Mrs. Baker attended a state advisers' conference in Fort Wayne. On December 15 the Y-Teens held their annual Christmas Prom, "Crystal Capers," in conjunction with the Hi-Y. An "Arthur Godfish" talent show was given as a very interesting auditorium program on January 25. On February 9, six girls represented the club at the Northern Indiana Conference at South Bend. Two important features of the year were the "come-as-you-are" breakfast and the annual Pa-Ma-Me banquet.

The club met every other Monday immediately after school. Featured on the programs were outside speakers, skits, music, and a style show. Devotions were led by a member of the group. The meetings were closed by group singing and the repeating of the Y-Teen slogan.

The officers for the year were: President, Jo DeRosa; vice president and membership chairman, Jeanette Sheets; secretary, Fern Van Marter; treasurer, Kaye Williamson; program chairman, Diana Beatty; social chairman, Roberta Berkes; service chairman, Donna Davis; finance chairman, Valrie Erickson; song leader, Betty Servis; pianist, Susie Unger; chaplain, Carolyn Raney.

The advisers were: Mrs. Baker, Mrs. Beck, Mrs. Boomershine, Miss Frank, Mrs. Jackson, Miss Myers, Miss Paul, Mrs. Redding, Miss Reed, Miss Shultz, and Mrs. Stevens.

# *National Honor Society*

TOP ROW—Jeanette Sheets, Betty Servis, Josephine DeRosa, Diana Beatty.  
FRONT ROW—Roberta Berkes, Fern Van Marter, Jim Bledsoe, Mary Lee Sell, Valrie Erickson.

A great distinction given to seniors of Angola High School is to be chosen for membership in the National Honor Society.

The members are chosen from the upper third of the class ranked according to scholastic records, and are selected by the faculty on the basis of scholarship, service, citizenship, leadership, and character. Fifteen percent of the class are eligible.

Those given the honor this year were Diana Beatty, Roberta Berkes, Jim Bledsoe, Josephine DeRosa, Valrie Erickson, Mary Lee Sell, Betty Servis, Jeanette Sheets, and Fern Van Marter.

The officers of this year's organization are: President, Jim Bledsoe; vice-president, Mary Lee Sell; secretary, Fern Van Marter; and treasurer, Mr. McCutchan.

The local chapter of the National Honor Society was established in 1935, and the total membership is now 225.

Each member contributes one dollar a year for the first five years of his membership to a scholarship fund. This fund is maintained for the purpose of lending to a high school graduate wishing to attend college.

# *Student Council*

The Student Council was organized in 1932 to promote cooperation between students and faculty, provide opportunities for student self-direction, foster all worthy school activities, and create and maintain standards of good citizenship.

The Student Council consists of four members, two boys and two girls, from each high school class and one from each of the seventh and eighth grade rooms.

The Student Council sponsored and participated in several activities this year such as: Sponsoring a dance in the gym, helping the Band Mothers with the Hallowe'en Carnival, selling basketball season tickets, sponsoring the selection of cheerleaders, getting valuable ideas for making pep sessions more interesting, taking up the March of Dimes collection in gym, just working on school problems in general, and sponsoring the annual May Dance.

The members of the Council were: Seniors—Greta Sewell, Fern Van Marter, Tom Pearson, Phil Krein; juniors—Peg Williamson, Shirley Dixon, Steve Maloy, Tom Ott; sophomores—Pat Druckamiller, Carol Hollabaugh, Hal Moore, Leonard Warren; freshmen—Linda Miller, Donna Preston, Allen Fair, Lorin Krueger; eighth grade—Betty Weiss, Eddie Klink, John Maloy; seventh grade—Jeannette Crain and Richard Servis.

Meetings were held twice a month.

The officers for 1951-52 were: President, Phil Krein; vice-president, Steve Maloy; secretary-treasurer, Greta Sewell; and reporter, Shirley Dixon.

Miss Nancy Paul was the sponsor of the group for the current year.

The School Safety Patrol had 23 members with Ronnie Meek as captain and Rex Barton and Kenny Dowell as lieutenants.

This is the fifth year that the Safety Patrol, sponsored by the Civic Safety Council, has been active since its reorganization at the Angola Schools. The purpose of this patrol is to guard the lives of school children going to and from school and to aid in the prevention of accidents.

The Chicago Motor Club again this year honored the patrol by presenting them with the Safety Award.

This is the fourth year that girls, as well as boys, have participated in the safety program. The schedule was arranged so that no one had to miss class recitation. The members were stationed at each crossing to help the school children cross the street in the morning, at noon, and at dismissal time in the evening.

Several social activities were enjoyed by the patrol group during the year. Burt Kepler, instructor in shop work and mechanical drawing, was the supervisor.

# Alpha Delta Chi

Alpha Delta Chi, the high school dramatics club, was organized in 1945 by the speech class, under the direction of Mrs. Elna Hunter. The membership of the dramatics club is open to anyone in high school. The meetings were held every other Tuesday night at seven o'clock. The informal initiation of the pledges lasted six weeks. ## *“Our Hearts Were Young and Gay”*

The senior class play, “Our Hearts Were Young and Gay,” was a comedy, adapted by Jean Kerr from the book by Cornelia Otis Skinner and Emily Kimbrough. It was directed by C. T. Fuller.

The play tells of the trials and tribulations of Cornelia and Emily, who are traveling to Europe, where Cornelia plans to take dramatic lessons from a Monsieur De La Croix. Cornelia’s parents are also traveling to Europe via another ship.

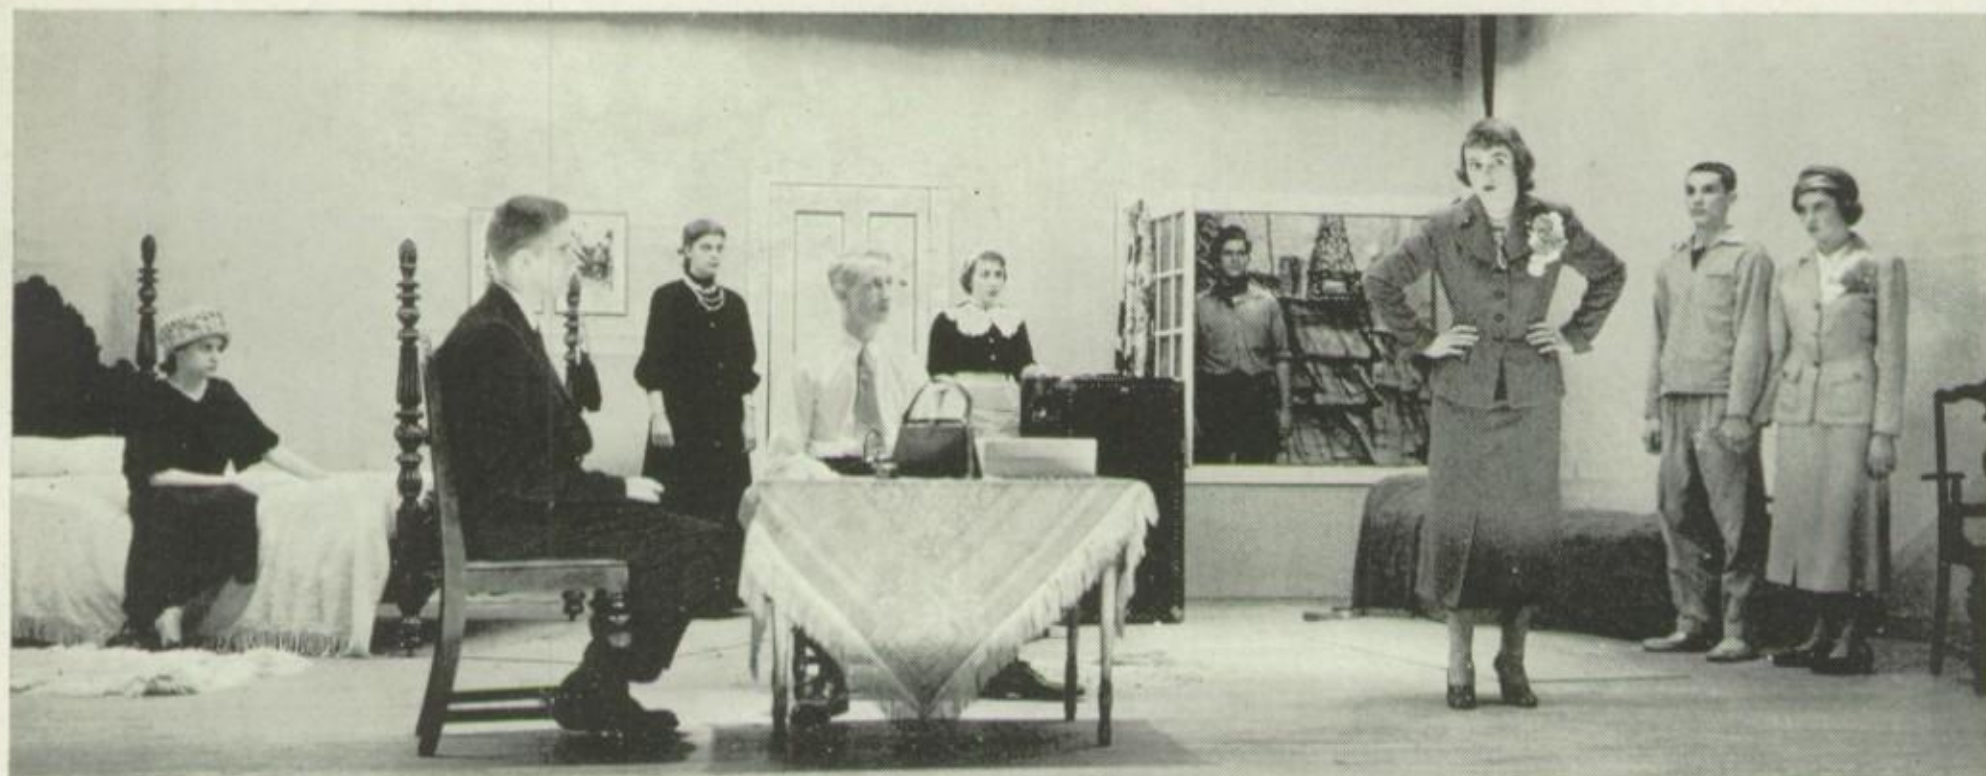

The play picks up action when Emily supposedly kills a man with a deck chair. The mystery is solved; however, the ship’s personnel are driven nearly crazy by the antics of the young seafarers.

Tragedy looms when Cornelia develops measles. Dick and Leo, medical students from Harvard, cleverly smuggle Cornelia past the French health inspector at the port.

On arriving in Paris, the girls meet Madame Elise and Therese, owners of a French hotel. Monsieur De La Croix is called and a dramatic lesson begins. Confusion reigns supreme when bedbugs go to work on Cornelia. Mr. Skinner, plus disinfectant, saves the day.

The day of departure for America, Monsieur De La Croix tells Cornelia that she has no talent and he is evicted by an outraged Emily. Amid her parents, Dick, Leo, a window washer, and Emily, Cornelia sweeps into a glowing monologue. Everything turns out well in the end.

The cast included: Mary Lee Sell, Mrs. Skinner; Jim Bledsoe, Mr. Skinner; Valrie Erickson, Cornelia; Fern Van Marter, Emily; Phil Krein, Dick Winters; Arthur Hockey, Leo McEvoy; Mike Crowl, Steward; Nancy Snow, Stewardess; Dick Bruhn, Admiral; Bill Selman, Purser; Bruce Martin, Health Inspector; Temple Meade, Harriet St. John; Janet Jarboe, Winifred Blaugh; Jo DeRosa, Madame Elise; Nancy Clark, Therese; Bill London, Monsieur De La Croix; and Chuck Kelly, Window Washer.

## *“Our Miss Brooks”*

The junior play, “Our Miss Brooks,” was a comedy, written by Perry Clark from the radio dramatization by R. J. Mann.

The play revolves around the casting of a play. Miss Brooks’ troubles are many, stemming from Mr. Wadsworth, the irate principal; Mrs. Allen, domineering school board member; Miss Fench, who helps just a little too much; a romantic interest in the coach, Hugo Longacre; Miss Audubon, the jealous music teacher; and keen rivalry between Jane and Rhonda.

Miss Brooks first encounters trouble when she keeps Ted from basketball practice to punish him for copying. She cleverly wiggles out of this situation to find that she is to direct a play.

Ted is the only boy who tries out for the play. Rhonda and Jane vie for one part. Jane wins, much to the disgust of Rhonda and her irate parents.

Rehearsals are disorderly as they are held in the gym. In order to avoid confusion, Jane swipes the basketballs and band instruments and hides them in Miss Brooks’ office. When she is discovered, Jane accidentally breaks a valuable vase belonging to Mrs. Allen. Miss Brooks then breaks the mate and Jane loses all the play-ticket money.

The height of confusion is reached when an important member of the cast has an attack of appendicitis. The coach comes to the rescue and the show goes on.

The cast included: Susie Mummert, Miss Brooks; Sylvia Jackson, Miss Fench; Bill Eberhart, Hugo; Steve Maloy, Mr. Wadsworth; Barbara Bodie, Miss Audubon; Bette Lucas, Jane; Larry Kunkel, Ted; Shirley Dixon, Rhonda; Sharon Lampman, Mrs. Allen; Joyce Clark, Elaine; Garna Golden, Sylvia; Janeth LaDow, Elsie; Mattie Wisner, Doris; Frances Cimbal, Faith; Tony Cather, Stanley; Jim Crouch, Martin; Don Hintz, Tom Cline, Jim Monroe, basketball boys.

The play was under the direction of C. T. Fuller.

## CHEERLEADERS

Our three cheerleaders have done a fine job this year. They have introduced many new yells and pepped up the old ones.

This was Greta Sewell's third year before the cheering section. Marilynn Van Wagner is a veteran with two years' experience and this is the first year for Susie Mummert. We shall miss Greta next year, but as Marilynn and Susie are juniors, we can look forward to a good or better cheering section for next year's season.
